HORSE RACE SEASON **CLOSES AT SARATOGA**

inti-Betting Law Will Keep Tracks Closed Pending Decision on Constitutionality.

that thoroughbred racing in the state for the year 1910 is to cease suddenly with the last race run at the meeting on the Saratoga track on Wednesday, Aug. 31. Saratoga track on Wednesday, Aug. 31. leaves the outcome for next year problematical. If the courts decide that the law making the directors of the tracks criminally liable for betting is unconstitutional, and that oral betting is no infringement of the law, there is little doubt that the tracks will reopen. But if not, the opinion prevails in racing circles that the tracks will stay closed until some relief can be had.

This afternoon winds up the racing game around New York for the time being. Whether it will return or not the future will determine. After the last race today the regulars will start on their journey to Saratoga, where the sport will reign until the 29th.

Since the passage of the Agnew-Hart laws in 1998 all of the tracks in the state.

journey to Saratoga, where the sport will reign until the 29th.

Since the passage of the Agnew-Hart laws in 1908, all of the tracks in the state have lost money. The Coney Island Jockey club alone has sunk more than \$400,000, it is estimated, and is the heaviest loser. Under new restrictions, therefore, the racing associations would be compelled to make good even greater deficits.

When Saratoga winds up at the end of a month, some of the leading owners, including August Belmont, will race their horses on the Canadian tracks and elsewhere until the close of the eastern season.

DILLON WILL CATCH · FOR SALT LAKE TEAM

Manager Mike Denovan signed up Eddie Dillon, the veteran catcher. Tuesday afternoon to strengthen his team for the week end series. He will be seen behind the bat Saturday afternoon when Salt Lake meets Ogden. The following day the Salt Lake team will play a return game with Ogden on the Junction city diamond. The Occidentals will play with Murray at the Smelter City and the next day the two teams win clash at Walker's field.

Dillon was on the Ogden team in the beginning of the season but when Lumley got back in the game, he was released. Donbyan picked him up to strengthen his team. Dillon is a good stick artist and can peg bases in good shape.

The Utah Lights defeated the United States Smeiters in a close game on the Fort Douglas diamond yesterday afternoon by a score of 3 to 2. Smith was in fine fettle allowing two scattered hits and fanning a dozen men. Smith was the name of the man who pitched for the Smeiter team, too. He delivered a good article of ball, but did not receive proper support.

The Holman-Payne Lumber team scored another victory over the Murray firemen yesterday by a score of 10 to 7. The game was well played and a large crowd witnessed the contest. The lumber dealers pulled off three double plays which were the feature of the game. Lagroan and Mulholland were the winning battery and Johnson and Bishop were the battery for the firemen.

FIELDER JONES, FAMOUS BASEBALL MANAGER, SAID TO BE THINKING OF RETURNING TO G AME.

Cleveland, O., July 31.—Fielder Jones, former manager of the Chicago Americans, is slated as part owner and manager of the Cleveland baseball club. It has been reported that a deal is pending whereby one of the club owners will soon retire, selling his stock to Jones, and the latter becoming manager of the team. Ban Johnson, president of the American league, is said to be back of the deal. It is a well known fact that the Cleveland clubhas been a consistent loser this season owing to the team's poor showing, and it is said one of the stockholders welcomes the chance to sell out. With

Brooklyn, Aug. 2.—Brooklyn beat St. Louis twice today, 3 to 1, and 5 to 4. Bell and Lush had a pitchers' battle in the first game, the former doing the better work. Burch's single in this game with two men on bases, brought across the winning runs in the fifth New York. inning.
St. Louis started the second game with four runs, but they were unable to do anything with Barger after that. First game-

PRIZEFIGHTERS TRY TO REVIVE GAME

Challenges Are Being Issued by Pork And Bean Crew in Effort to Get Matchmaker.

Prize fighters are issuing challenges on pink perfumed paper in an effort to open up the game here again. Gene McGov-ern, a pug with a pork and bean reputation from Uncle Tem McClary's fight club in Los Angeles, is making an effort to get on with Peanuts Sinclate, who fought a fake fight for \$30 in the St. Regis club some months ago. McGovern is willing to take the small end of the purse to get his "ham-an". Without much hope of pulling the bout off here Roy Shumway is taking hold of the proposed mill and it may be that the battle will be staged in Ogden on Labor day. Sept. 5.

handed" route.

Jim Flynn, who used to fight before he became a "has-been," is looking for a match in Salt Lake. Young Peter Jackson, who is with the Occidental basebail team, would like to get a match with the Pueblo fireman.

LANGFORD STILL AFTER FIGHT WITH JOHNSON

New York, Aug. 3.—"Jack Johnson will have to fight Langford or get out of this country," is the latest statement from Joseph Woodman, Langford's manager. Woodman, who is in New York, declares that a forfeit and side bet of \$25.000 will be posted inside of the next five days in behalf of Langford and adds that unless Johnson covers the money binding the match, inside of 20 days. Langford will lay claim to his title.

Joseph Hughes, a wealthy member of the Fairmont Athletic club, is Langford's backer. He asserts his confidence that Langford can whip the champlon in 20 rounds or less.

WILL BUILD AEROPLANE TO CAPTURE CUP

New York, Aug. 2.—Determination to build an aeroplane fast enough to keep in this country the international cup is back of the announcement made by Glenn H. Curtiss, the aviator, that he will for the present accept no more contracts to give exhiction flights. This will not affect the rivard meet, nor other meets at which Mr. Curtiss has already signed contracts to fly.

Curtiss says that demands upon him for flights have been increasing with such rapidity that he has had little time for the experimental work he has planned to do. He may, however, make a few flights when his personal desire direct, or when he finds he can accomplish something of benefit in his experimental work.

work.
Curtiss is confident that he can build a biplane which will outstrip the fast monoplanes recently developed by the French aviators, and keep the Gordon Bennett cup in this country, should he finally decide to enter the international moet.

CHICAGO TRADESMEN REJECT GOLD COIN

Chicago, Aug 3.—Indicating that Chicagoans, at least near the Union Stock yards, know less of gold coin and more of paper money than westerners, a perfectly good \$10 gold piece, bitten and badly battered, now reposes in the Chicago sub-treasury after an adventurous three days career. The new coin reached Chicago Saturday from the mint at San Francisco. It was paid out at noon to a stockyards saloonkeeper, who exchanged it for a packing company check, presented by Rodnick Eppstein, a "cleaner hoy."
